#### Work Completed:

The blanks above will be filled with a check mark (✓) if the assignment is completed with a full heading.

The blanks will be filled with an **INC or H** for incomplete assignments or assignments without a full heading. The blanks will be filled with a **0** if the assignment is not included anywhere in the portfolio. Count the check marks (✓) for a total work completed score.

**Organization:**

Points are taken away for any assignment that is in the portfolio but out of order. **DO NOT take points away for INC or 0 assignments.** These points will be deducted from the work completed score.?
